Feed Your Soul

I don't think I've ever heard of a better name for a bakery - Feed Your Soul...mmmm, yes please! We're letting the pictures from our photo booth serve as favors, but when I was debating about getting additional favors all I could think about was cookies. Feed Your Soul has a [favor cookie bag](#) available that contains two cookies for only \$2.95/piece. You can pick the color of ribbon you want and they are baked the same day that they ship out to you. Just reading the flavor options makes my mouth water!
